## Sports week

What wonderful weather we have had for our sports week this year! Our children have had a super time and have tried all sorts of exciting new sports as well as some familiar ones. As always, we have been impressed by their sportsmanship and their willingness to give anything a go. A big thank you to Mrs Whent for organising such an exciting week for us.

## Ripon Cathedral Leaver's Service

On Tuesday morning our Year 6 pupils travelled to Ripon for the annual leavers' service organised by the diocese. This event is a celebration of their seven years in a Church of England primary school, and an opportunity to look ahead to secondary school. This year each school decorated a candle to take with them, and these will be on display in the Cathedral over the summer.

## New Website Photographs

On Thursday 12<sup>th</sup> July we will have a photographer coming in to both our schools to take photos for our new website. To make sure our school and children are looking at their best, please could we ask parents to ensure children are looking smart, wearing the correct uniform with cardigans and jumpers with logos where possible. Please could you ensure children have the correct PE kit in school on this day as well so that we can take some action shots! Many thanks for your support on this.

## **A Safety message from Yorkshire Water**

We are promoting the 'Float to Live' summer safety message from the Royal National Life Saving Institute (RNLI). With the recent hot weather, many people are venturing into rivers/ lakes/ the sea. Please view the videos from West Yorkshire Fire & Rescue Service to help us all keep safe.
