

E-safety means electronic safety,
Be careful on your electronic device.
E-safety controls you and your safety,
Your information spreads like lice.

You may be bullied at school,
Just because of your personal info.
E-safety must be a rule,
Don't show your personal info to your foe.

E-safety!

Don't panic if you need some help,
It's here ready and waiting.
Don't bother to yelp,
It's here produced for you.

So get this message stuck in your head like
a piece of lead. **YOU NEED E-SAFETY!**
