A place where the beliefs and practices of the Christian faith underpin the social, moral, spiritual, cultural and physical wellbeing of every individual.

Election fever has grabbed us in school this week. The junior children from both our schools have really enjoyed finding out a little bit more about our country's democratic system. They have learnt a little about each of the parties and about what happens in the case of a hung parliament.

Mrs Arrowsmith's class set up a polling station and held an election to decide what kind of pizza they will be making next week.

They made a list of who was eligible to vote and each child had a voting slip. Ham was the outright winner - a bit more conclusive than yesterday's general election!

Some of our children have shown a keen interest in this. There is a lot more information on the **Newsround website** for those who would like to learn even more.

Great North Air Ambulance collection

A big thank you to those parents who took the opportunity to have a clear out and donate bags of clothes for the collection this week. This will raise funds for both the Air Ambulance and for our schools.

Many thanks to the Friends for organising this event.

Kwik Cricket

Luckily for us the wind blew away the rain clouds long enough for some of the older members of class 2 to compete in the Sainsbury's small schools kwik cricket competition this week.

They demonstrated some very impressive catches and bowling in addition to hitting many balls for both 4's and 6's! Well done to all those involved, you were a credit to yourselves and our schools. A big thank you to Miss Crisp and Mr Tongue for their support.
