A place where the beliefs and practices of the Christian faith underpin the social, moral, spiritual, cultural and physical wellbeing of every individual.

Drumming up a great show!

What a performance we were treated to on Monday night when the children of our federation took to the stage at the Georgian Theatre for a magical evening of song, dance, drumming, poetry, science, maths and more to celebrate their learning about Africa this term. We were incredibly proud of the way the children threw themselves into their performances, and are sure it is an experience they will remember for a very long time.

Many of the people in the audience commented on the children's confidence on stage and their exceptional singing which was very moving at times. It was evident to all that the children have thoroughly enjoyed learning about the amazing continent of Africa this term.

Our collection for the Disasters Emergency Committee's appeal for the people of East Africa raised just over £200.

Please do come along and join the children for their Easter Services next week.

Baby and Toddler group We are very proud of the baby and toddler group that we set up for people in the community over a year ago. Attendance has dwindled recently however and we need to boost numbers if it is to continue to be viable. If you know anyone who might be interested in attending it runs from 2pm every Thursday afternoon during term time. We would love to see some new faces!
