A place where the beliefs and practices of the Christian faith underpin the social, moral, spiritual, cultural and physical wellbeing of every individual.

Summer Productions

At Kirkby Fleetham the oldest children wrote the summer production this year. 'I'm a Year 6 Get Me Out of Here' was a huge success and there were some very entertaining individual performances as well as some super whole school dances and songs. Well done Year Six, you made us all laugh and reminded us of just how very talented you are! Thank you to Mr Macmillan for filming the show. The children have loved watching it themselves!

Well done to the very talented and committed teachers at both schools who help to develop the children's skills and make these events happen.

The children at East Cowton showed off their amazing skills at this year's **Strawberry Tea and talent show**. The range of talent on show was incredible this year with performances from some wonderful musicians, dancers, joke tellers and a nimble fingered magician. It was lovely to see how children's skills have progressed since last year and there was certainly more than one contender for 'Greatest Showman'.

Richmond School and Sixth Form College

A date for your diary - there will be an open evening held on 20th September 2018, which is being extended to Year 5 this year.

North Yorkshire Library Summer Reading Challenge

Children can very quickly get out of practice with their key skills over the summer holidays, so we strongly recommend that families get involved in the Summer Reading challenge. This year's theme is 'mischief makers', inspired by much-loved children's comic, The Beano, which celebrates its 80th anniversary this year.

The challenge is to read six library books over the summer. As they read their chosen books, children will receive stickers - some with mysterious smells... By adding stickers to their map, readers will help Dennis, Gnasher and friends solve clues and discover the treasure, having adventures along the way.
