## Y3/4 Tennis

The children from both schools took part in a tennis tournament this week in Northallerton. The weather was very kind to the children and they thoroughly enjoyed competing against children of a similar age from other small schools.

Whilst neither team came home with any medals, they managed to win many of their matches.

Well done teams!

## Growing up in North Yorkshire Survey

For children in Years 2,3,5 and 6 there are letters accompanying this newsletter with details of the Growing up in North Yorkshire survey that our children will be taking part in over the next two weeks. If you have any comments or concerns, please contact the school office or your child's class teacher.

## Y2 and 6 Statutory Assessments

As per the Standards and Testing Agency leaflet sent home before Easter, next week is SATs week for year 6. The children have been working so hard both at home and at school over the past few weeks and we are very impressed with their commitment. The tests will be as follows:

**Monday:** English Grammar, Punctuation and Spelling papers 1 and 2

**Tuesday:** Reading test

**Wednesday:** Maths algebra and Reasoning 1

**Thursday:** Maths Reasoning 2

Children are invited to join us on these days for a SATs week breakfast at 8.25am if they wish.

The children in year 2 will be taking their tests during the week beginning 21<sup>st</sup> May. We have been practicing in advance of these tests and plan to keep them as low key as possible.

## Sun protection

It has been lovely to spend more time outdoors over the past few weeks and the children have been reminded about keeping safe in sunny weather. All children need to wear a hat at playtimes, and most have a school sun hat in school. Please could you ensure that your child comes to school wearing sun screen on summer days, and provide them with a named bottle of sunscreen to apply at lunch time.
